## Homage to Christenson: combinations under *Maxillaria*

*Richardiana* 15 : 291-305 (2015)

On page 297 the new combination for *Heterotaxis disciflora* is written as *Maxillaria discifolia*. Though this error could be interpreted as a typographical error according to the *International Code of Nomenclature for algae, fungi and plants (Melbourne Code)*, Art. 60.1, it is here corrected:

***Maxillaria disciflora* (Sambin & Chiron) Molinari, comb. nov.**

Basionym: *Heterotaxis disciflora* Sambin & Chiron, *Richardiana* 14: 252 (2014)
